ADDENDUM A

This Addendum is in effect upon registration at the Education Center.

POLICY AND PRIORITIES SPECIFIC TO MILE2 OPERATIONS STUDENT AGREEMENT

It is the goal of Mile2 to provide quality training, using instructors, materials, and equipment, which conform to vendor requirements.

MILE2 Guarantee of Satisfaction: Our approach to technical training is not information output but in depth learning. We understand that mastering these technologies can be difficult, therefore, students have the option to audit the same course free, if needed, within six months of completion of the original curriculum, based on seat availability and a three-day advance reservation. No additional books or other supplies will be furnished.

Completion of any module, within any field of study, is predicated on 70% attendance. Failure to meet attendance requirements negates MILE2's entire obligation in this contract.

Other Policies/Procedures:

MILE2 staff reserves the right to withdraw a student from any class/program for reasons including, but not limited to disruptive conduct, or an inability on the student's part to maintain the learning level of normal class instruction. Transfers among sections will be approved only on a space available basis.

Students are **not** allowed to bring any personal or unauthorized software into the rooms or put personal/unauthorized software on MILE2 machines. To do so will result in immediate dismissal of the student. Student agrees to abide by parking, food, and smoking policies in existence at the MILE2 location. Instructors reserve the right to allow or disallow food and drink in the classroom. The undersigned agrees that if food/drink is brought into a classroom and such causes damage to any equipment, the undersigned is responsible for the cost of damage and repair.
